OBJECTIVE

I am looking for a full time position in graphic design, UI/UX design, or an adjacent field. I am a self-motivated employee who seeks to make projects as great as they can be, as shown by my experience founding a start up company and being in a leadership role for multiple projects.

EXPERIENCE

CEO and Founder

Starcap Games LLC | May 2015 – Present

Lead multiple projects through all stages of development and marketing.

Manage finances and legal workings of the company as a whole.

Senior Lead Graphic Designer

Apprendis | June 2015 – Present

Produce art assets for educational software about middle school science.

Work with subject matter experts to ensure scientific accuracy and usability with both teachers and students.

Freelance Designer

Various | October 2015 – Present

Created graphics as requested by various clients found online and in-person.

Designed websites, brochures, card games, professional documents, and box art.

3D Designer and Animator

Worcester Polytechnic Institute | April – December 2015

Created 3D models and animations of the experiments done by the Fire Prevention Engineering Department at Worcester Polytechnic Institute.

Lead Producer, Artist, and Quality Assurance

MassDiGi | May – August 2014

Worked on four teams to create four marketable games in eleven weeks.

Held different roles, including Lead Producer, and contributed to all four games.
